What a way to start your day. With three scrumptious babes just sitting idyllically under a huge sprawling oak tree having a picnic without any food. That's because they all are on the menu. We'll just take a seat on the grass a few feet away and watch what unfolds. Maybe if we're quiet, they'll ignore us and start their picnic. Her mom's house is being sold, and Ryan is the executrix of the estate. But there's so much paperwork to deal with, Ryan simply shuts down and tunes out, opting instead to stay home and play with her pretty, pink pussy, jamming her fingers inside herself repeatedly until she's a moaning, hot mess. Take time to grieve, Ryan. Mom just wanted to see you happy, and playing with yourself makes us all smile.

INTIMATE THOUGHTS AND XXX ADVICE

Dear Reader – We usually would not place a story, or rather, letter at a spot like this. But when we received it and read it, somehow it seemed to beg for publication. So we decided to offer it here and ask your indulgence as the action unfolds. – Editors

I thought it quite appropriate that I write to you because I am 40 and I just introduced my nephew, who's 30, to a situation that he'll never forget. I have changed his name because I know his father gets your magazine and I wouldn't want him to know I corrupted his son. My brother is almost twenty years older than me and a successful businessman in his own right.

He has a great son, let's call him Lawrence, but the kid is a big nerd and has only been laid once in his entire life. I was talking with one day by the pool and he was lamenting about not being able to get laid so I decided to take it upon myself to get him some pussy. Not just any pussy but a dazzling duet of horny girls that will give him an afternoon that he'll never forget.

I have a nice little 60-foot sailboat anchored at the marina so I invited him to come down for a Sun-

day cruise and he said he would. Unbeknownst to him, I had also invited two young ladies who I knew would get him hot (don't ask how I know them!) And maybe he would get lucky. They are very cute and liberal minded so I had great hopes for him.

The two girls, Candy and Peaches, arrived just before noon and Lawrence sauntered around the deck about a half hour later. The girls were below deck having a drink so Lawrence did not see them when he arrived.

I showed him around the sloop and when we went below deck he saw them and I introduced them. He was very flustered and looked at me as if to say WTF. I explained that they worked at my office and I had invited them a while ago, but this was the only day they could come. We pushed off and I showed Lawrence how to help us get under sail as we motored out of the marina.

She started to unbutton his cutoffs. When she got the last button, she yanked down as hard as she could. His erection sprang out and up. It was about nine inches long and quite thick.

Candy came up after a few minutes and said that she would like to get some sun. Peaches followed her and said she wanted some too. I pointed to the bow and told them to make themselves comfortable there. The girls took off their summer dresses and had bikinis underneath. They spread out on the cushions and started to apply suntan lotion on each other. Lawrence was aft with me as I showed him how to steer us out to open water. Apparently his mind was not on my instruction. We both watched as Candy reached back and on fasten her bikini top and removed it. Peaches did the same.

By now Lawrence was having a real problem. He pulled down on the crotch of his shorts and got a little relief. Peaches slowly rolled onto her back and her bare breasts were magnificently displayed in the sun. They were tan on the sides and all around, but paler where top had been covering them. Her nipples stood up and out.

Then Candy rolled over, and both sets of boobs pointed skyward. Lawrence was in real pain now as he throttled back the engines and made the boat lurch. The girls jumped up and hurried back to the helm. He was turning to go below in embarrassment when they said "What's wrong?"

"Oh nothing." Lawrence grimaced and said, "You two are too much of a distraction." Putting his hands in his pockets trying to hide his erection. Peaches looked at his crotch and said, "Well here's the problem." She started to unbutton his cutoffs. When she got the last button she yanked down as hard as she could. His erection sprang out and up. It was about nine inches long and quite thick.

"Wow! Look at what I found. Candy, come look at this." Candy bends over to get a closer look at his hard on. "Wow, I that's a big cock but how does it taste?" The two girls are now kneeling in front of his

huge dick and teasing him. "I don't know yet but it sure looks good. Wow! I can barely get the head in my mouth. You have a bigger mouth, you try it." mocks Candy.

I said there was no one steering the boat and I should tend to it. "Why don't you girls take Lawrence down below?" The girls agreed and grabbed his cock to lead him down. I looked down into the salon to find them both removing their bikini bottoms. Peaches said, "Get on the bed?" He flopped on the bed – the girls right behind him.

Peaches looked at him and started sucking on his cock. Candy was up at the front end pulling his shirt off. All of a sudden I heard him say, "Peaches, let me get inside you before I cum." He slid back and down between Peaches's legs. She grasped him and slid the head of his cock up and down the lips of her wet pussy. Peaches grabbed his hips and pulled him forward, "More, deeper," I heard her say. "What a cock. Candy I can't wait for you to try it." Lawrence began to thrust against her.

Peaches was being rocked by orgasm after orgasm. Candy watched and kissed him on the lips. Her hand slipped down and grabbed his balls. He stiffened and jerked and flooded Peaches with shot after shot of cum. He fell over on his side breathing hard, gasping for air. "Hey! You guys, I want some too!" cried Candy feeling left out.

Cock spent, he slipped down between Candy's legs and brushed his tongue over her outer lips. He found her clit and sucked it into his mouth. Then he pressed his face hard into her pussy and rammed his tongue as far in as it would go. Candy let out a howl that shook the boat. I watched as Lawrence crawled up over her and slipped his big cock deep into her. He pumped her hard and I heard him growl that he was about to come.

Candy locked her legs around him and screamed as loud as she could. Then there was silence and a few minutes later I saw the two naked girls come up on deck and go back to the bow to resume their sunbathing. I did not see Lawrence the rest of the day until we docked.

LETTERS FROM OUR READERS

Letters that should or shouldn't have been written, or at least sent to us!

MIA MALKOVA FAN BOY

While reading your the last issue of Club, I noticed Mia Malkova is traveling solo. It seems that she's always in a scene with someone else and to see her by herself is a treat. Now I can fantasize on her alone. I can feel and touch that fine-ass booty. And I can admire her flexibility as if I was bending her over, not someone else.

Well, she's also got a pussy I'd lick all day. She's really hot and in great shape. It's nice to see her confidence in displaying her body and lady parts. Keep up the great work with the great models and photography. Just wanted to let you guys know.

— Clint, Seattle

STEAM ROOM STEAMY

I dropped by the local women's club to join and met this wonderful salesperson, Lacie, who explained all about membership and showed me around the facility. I signed up on the spot and went right in to work out and get a quick steam bath in before I left for my first day. Before I finished, Lacie came in for a steam, noticed I was there and gave me a hello. She said she had just gotten off work and usually took a steam before going home.

She came over and sat nearby and we continued to talk for quite a while. We were sitting there naked and I could see she was checking me out, and I have to admit I was checking her out too. She was a fine young thing compared

to my 30-plus years, but we seemed to get along really nicely. She complimented me on my figure and especially my breasts. She asked if they were real, and I said that they had been enhanced a few years ago after my third kid.

She asked if she could touch them because she had never touched implanted boobies. I giggled like a schoolgirl and agreed. She reached over and cupped one and gave a gentle squeeze. Then she reached out with her other hand and cupped each one with a firm squeeze. As she pulled her hands away she brushed my nipples, on purpose, I think. I go back to making small talk with her and suddenly she asks if she can kiss them. I say absolutely not and grab my towel and headed out. I looked for the manager to complain, but learned it was Lacie.

I went back to the steam room to confront her about her last action. I opened the door and saw her and another girl kissing with their hand down between each other's legs. I was appalled but went in to give her a piece of my mind. The two noticed me and without missing a beat, Lacie says she is sorry for making me uncomfortable and asks why I came back. I told her I was going to give her a piece of my mind... but then she stands

up and I realize this gorgeous woman is totally naked in front of me and looking like a Greek goddess.

I don't remember the next words out of my mouth but now both women are standing on either side of me undoing my clothes and stripping me bare. Then each mouth finds one of my nipples and hands are now in my crotch and caressing me ass. I am melting from the heat.

THESE TWO LURED INTO SEXUAL ACTS I HAD NEVER DONE BEFORE. AND I LIKED IT!

The temperature in there must have risen another ten degrees after this all started.

The two guide me over to the benches and sat me down opening my legs as they do. I lean back and Lacie kneels in front of me and begins to lick me. The other woman is sucking on my nipples and I am so aroused I cannot stand it. I start to moan loudly as her tongue makes me shudder and cum. She then backs off, sits on the bench next to me and invited the other lady to start licking her. I gather myself to watch as they enjoy each other's pussies and they cum quietly and fully as sweat envelopes both of them.

After a few minutes, I gather my clothes and try to sneak to the door. Lacie asks me if everything is okay. I respond it is and exit the steam room naked and headed for the locker room to dress and go home. When I get home I think back in the afternoon and start getting wet down there. I take a cold shower and go to bed. Waking up in the morning I thought it was all a dream but on the kitchen table was the membership card. Later that day I found myself grabbing a water bottle and my towel and heading for the gym. I thought to myself, why not, I paid for it.

CARMEN COCKSUCKING

Since you all have a mag about 'sexy' women, I thought I'd share a little story that you would appreciate. I took Spanish in high school some five years ago and had a hot little tamale of a teacher. Her name was Ms Carmen and she was dark sweet and sultry. Her English was not that great but she got her points across. She gave me a "C" for the class and that, I thought, was very generous.

I was window shopping at the mall in our part of town and noticed an older

woman that looked like her. I walked by her once, convinced myself it was her and circled back to ask her if she was Ms Carmen. She looked at me and said "Carlos is that you?" I said it was and we instantly started to talk about school and the class. After a few minutes, I asked if she would like to get some coffee and rehash some of my silliness in class. She laughed and said she had some time and would love to.

"Please call me Carmen now, Carlos, we are out of class and I haven't been teaching in over three years." She says. I found her surprisingly easy to talk to,

until we must have been chatting for about ten minutes. "Sorry, I just remembered my parking ticket's going to run out in five minutes... Hey, would you like to come over for some drinks? I'd love to hear more about what you've been up to." Realizing I had nothing better to do, we ran to the garage, and once in the car continued our conversation. She pulled up in front of house and we were going in for drinks, I thought.

"What would you like to drink?" she asked. I replied that a beer would be fine, and couldn't help staring at her behind as she walked away into the

kitchen. Her booty was nicely large but shapely. She returned with two beers and sat down right next to me. We talked for a while and she undid a couple buttons on her blouse making herself more comfortable. When I'd finished my drink I told I had to leave.

"Carlos," she said, her voice a little more demanding than before. "I'm not your teacher anymore." I knew right away what she was going to say and I didn't know what to do. She leaned forward and whispered: "Show me the man that you've become." Getting more turned on by the minute, my erection was getting harder inside my pants. After a few minutes, she came over to me and kissed her way down my chest sliding smoothly between my legs and unzipped my pants.

Pulling my cock out, she licked up the shaft, then circled the head and took

me inside her mouth. She licked and sucked my cock like a woman who hadn't eaten for days. Loud slurping noises that were almost a distraction filled the room. She lifted my cock to get at my balls and began to nuzzle and suck on them. First one was engulfed with a swirling motion and then the other as her mouth filled with my family jewels. It felt absolutely wonderful.

I just stood there in the middle of the living room looking down as my old Spanish teacher was blowing me. What a mind-bender that was. Her mouth released my balls and went back to sucking my cock. She stood up after another minute and stepped behind me. She reached around and grabbed my throbbing cock and began to masturbate me.

Her hands knew exactly how to do this, a lot like doing it myself, and she jerked her hand back and forth stroking me

hard. All the time she was whispering Spanish in my ear. I recognized most of what she said but lost my concentration when I finally came and gushed it out onto the hardwood floor. My knees buckled but I managed to compose myself and zip up. After an awkward moment she escorted me to her front door and offered to drive me back to the mall. I politely accepted since we were miles from the mall. As she drove me there, she offered to teach me more things about 'life' as she called it. As we arrived at the mall, I told her I should think about it.
